

Teacher's Guide

Self-Guided Tour

AUDIENCE

K through 12th Grade

DESCRIPTION

Learn the history and operations of a 19th century iron furnace. A 10-minute introductory program with a brief orientation is provided, as well as brochures with maps to lead you through the tour. Audio programs are located in buildings throughout the site, and videos are available for loan. This tour is offered seven days a week; tour time will vary.

REQUIREMENTS

This tour is suggested for groups larger than 80 and for groups with time limitations or scheduling conflicts.
